

## TC2210FK / K

### Fitment of tensioners.

- Please take note that during fitment of the Timing Chain Kit on the Fiat Ducato / Iveco Daily 3.0L engine the tensioners appear to be very similar. Please see below for the images showing the correct tensioners for the upper and lower Timing chains.

BGA products are to be replaced by an experienced automotive installer. This information is to be used as reference only. Always seek manufacturer specification.
