2022 RECAP

We would like to thank you all for being an extremely valued customer of BG Automotive (BGA) and for supporting us through this very challenging year of 2022.

BGA would like to take this opportunity to wish yourselves and colleagues a Merry Christmas and a Happy New year!

VEHICLE OF THE MONTH

Volkswagen Passat (B8)

BGA emerged as the aftermarket division of the 4BG Group, a leading OE Gasket and Engine component manufacturer formed in 1929 producing more than 128 million components annually.

Market leaders in Timing Chains

- Our Timing Chains have demonstrated real world performance and proven quality to the aftermarket offering the most complete kits.
- Timing Chain Kits are subject to thorough testing before leaving our manufacturing facilities by our Technical Engineering Team.
- Chains are tensile tested, Guide Arms are material tested, Tensioners are functionality tested and all of our components are hardness tested to ensure materials continue to meet our high quality standards.
