

WHEEL BEARING KITS

ONE BRAND, ONE SOLUTION.

GUARANTEED
ORIGINAL
QUALITY

5 YEAR
WARRANTY

550+ Refs

One of the most comprehensive ranges, focused on the highest demand applications.

OE-Level

Manufactured to globally recognised IATF 16949 quality management standards.

Kit Solutions

The most comprehensive kits on the market, containing everything needed on install.

Increased Margin

Commercial pricing designed to win more business.

One Brand, One Solution.

BGA WHEEL BEARING KITS

5 YEAR WARRANTY

BGA Wheel Bearing Kits complete the BGA Steering & Suspension and Transmission portfolio, enabling supplier consolidation, reduced risk, and improved profitability.

OE Level quality, market leading kit completeness, and competitive pricing deliver a lower risk, higher value solution already trusted by 600+ global customers.

Integrated Hub Technology for Modern Vehicles:

HUB UNIT BEARING
GENERATION 1

Sealed hub bearing unit with dual-row ball or tapered bearings. Factory lubricated, maintenance free and self adjusting. Designed for reliable everyday driving applications.

FLANGED HUB UNIT
GENERATION 2

Flanged Hub unit with bolt on fitment for faster installation. Often includes magnetic encoder for ABS functionality. Improves installation efficiency and wheel speed accuracy.

INTEGRATED HUB BEARING ASSEMBLY
GENERATION 3

Integrated hub and bearing assembly with flanges and ABS sensor. Provides precise wheel speed data and reduced installation risk. Designed for modern vehicle platforms and high-load applications.

WHY BGA?

- OE-level quality and certified manufacturing.
- Highest grade steel and advanced sealing technology.
- Premium long-life Japanese grease and tested ABS components.
- The most Complete Kits in the market.
- Quality Guarantee - 5 Year warranty.
- Consolidated part numbers for smarter stocking & space saving.

REASONS TO KEEP BGA IN STOCK:

- Wide vehicle coverage with fast-moving references.
- Fewer Returns & fitment issues.
- Competitive pricing with increased margins.
- Premium aftermarket brand.
- Full technical, marketing and cataloguing support.
